

It is a common observation among the young men of our country that the most prominent feature of social life is the language used by them. Boys have an idea that it is smart to swear; that it makes them manly, but there never was a greater mistake in the world. Men, those who swear themselves, are disgusted with the profanity in a younger man, because they know how of all bad habits this clings the most closely and longest with years. It is the most insidious of habits, growing on one so invisibly, that almost before one is aware he becomes an accomplished curser.

Says the *Golden Rule*: There is one thing that too few women learn to make in their education in wifehood—and that is allowances. When the honey moon gets a few years old, and cares multiply upon the husband and his mind becomes absorbed, and his brow becomes knitted—when the gray hairs begin to come ten years too early, and he is absorbed before his time by the dreadful prospect which business drives a man in these times—the wife should make due allowance for the change in her expectations and actions. It is her duty—it should be esteemed her blessed privilege—to help him leave his work and worry behind him when he enters his door, and make his home a place of peace and rest—of comfort and delight—not a symbol merely, but a foretaste of heaven.

If you feel dull, dreary, debilitated, have frequent headaches, mouth tastes badly, poor appetite and tongue coated, you are suffering from torpid liver or "biliousness," and nothing will cure you so speedily and permanently as to take SIMMONS' LIVER REGULATOR OR MEDICINE.

#### BAD BREATH!

Nothing is so unpleasant nothing so common as bad breath, and in nearly every case it comes from the mouth. If you have bad breath, if you will take Simmons' Liver Regulator, do not neglect to secure a remedy for this repulsive disorder. It will also improve your appetite, complexion, and general health.

#### PILES.

How many suffer torture day after day, making life a burden and robbing existence of all pleasure, failing to realize that a simple remedy, easily made to the hand of almost any one who will use systematically the remedy that has permanently cured thousands. Simmons' Liver Regulator, is no drastic violent purge, but a gentle astringent to nature.

#### SICK HEADACHE.

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable sensations, and produces what is popularly known as Sick Headache. *Caution:* Buy no powder or prepared S. SIMMONS' LIVER REGULATOR unless it is our registered wrapper with trade mark, stamp and signature unbroken. None others are genuine.

#### Ayer's

#### Sarsaparilla

For Scrofula, and all scrophulous diseases, Erysipelas, Rose or St. Anthony's Fire, Eruptions and eruptive diseases of the skin, Ulcerations of the Liver, Stomach, Kidneys, Lungs, Pustules, Pustules, Boils, Blotches, Tumors, Tetters, Salt Rheum, Scald Head, Ringworm, Ulcers, Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, arising from internal ulceration and uterine disease, Syphilitic and Mercurial diseases, Drosophy, Dysepsia, Emaciation, General Debility, and for Purifying the Blood.

This Sarsaparilla is a combination of vegetable alteratives—Stillingia, Mandrake, Yellow Dock—with the iodides of Potassium and Iron, and is the most efficacious medicine yet known for the diseases it is intended to cure. Its ingredients are so skilfully combined that the full alterative effect of each is preserved, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease.

The reputation it enjoys is derived from its cures, and the confidence which prominent physicians all over the country repose in it proves their experience of its usefulness.

Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superiority to any other medicine known that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.

## CONSUMPTION

## CURED.

An old physician in circulation, active practice, over 30 years, in New Haven, Conn., has given to me the following: A Vegetable Remedy for the cure of Consumption.

## CONSUMPTION AS HMA, BRONCHITIS,

Pneumonia, and all Diseases of Lung, Mastoid, Pleura, and Heart. Through the efforts of many Physicians, and the skill of many Surgeons, Comptants, and having seen thousands of cases, I have found a Remedy which is a great success in the treatment of Consumption.

In his soft, pale, delicate, emaciated patients, it is a certain cure to reduce him to a thin, bony, weak, pale, dark, and gaunt. In his robust, healthy, strong, and active patients, it is a certain cure to restore him to a full, strong, healthy, and active condition.

It is a safe, simple, and effective Remedy.
